Welcome to GCAC Children Program! We are so pleased you are here to find more information about our children program. One of the goals of our program is to bring the light and love of God to your child and family. Under God's guidance, the blessed children and teachers in our church are working together to accomplish this goal.

Infant/toddlers, from 6 months to age 2 1/2, are cared for by the loving and responsible adults. The classroom is equipped with a variety of toys and comfortable space.

Preschool children, from age 3 to 4, are nurtured by our experienced teachers. Children are provided with fun stories, engaging crafts, and snacks.
